## Welcome to Il Fiorello

Il Fiorello is a family-owned organic farm. We are dedicated to growing and milling the finest quality organic olive oils. Our name, "Il Fiorello", or "little flower" in Italian, was chosen for the tiny white flowers of the olive bloom. Established in 2007, Il Fiorello is also a family name—named after the founders, Great Grandfather Raphael Fiorello.

Il Fiorello Olive Oil farm and facility is located in the beautiful Suisun Valley on 15 acres of fertile, agricultural land. The Farm, the Mill, and the Visitor Center are on Mankas Corner Road, near Fairfield and just southeast of Napa Valley. We welcome you for visits, oil tastings, and oil and food pairings. We present a selection of sustainably grown wines and locally crafted beers. Enjoy our tasting room, our outdoor patio, and our peaceful olive and citrus groves.

We are proud to present our international award-winning, organic olive oils. Come enjoy the Visitor Center and Olive Mill for tours and tastings. Take a cooking class at the Kitchen in the Grove Culinary Center. Enjoy olive oil, wine, beer, appetizers, and beautiful views of over 3000 olive trees.

You are always welcome!
